PRODUCT STORY

Love me, love me... Shea that you love me! Break up with dry, irritated skin and let Shea love you a better way. Take your relationship with color to the next level for sensitive skin you can feel confident in.

COLOR TECHNOLOGY

BioBronze® Blend: Wrap your skin in rich, radiant color with this beloved bronzing blend. Tyrosine works to stimulate melanin production to help you develop beautiful, dark, natural-looking color. Caffeine derived from cocoa increases circulation for a loving, rosy color. Build a healthy relationship with your skin with nourishing Orange Peel extract and Camu Camu fruit. Microminerals and macrominerals from Orange Peel Extract help maintain mineral balance on the skin, while antioxidants, vitamins and amino acid from Camu Camu promote healthy skin for a gorgeous, golden bronze. BioBronze® Blend is a love connection you can't resist!

SKINCARE TECHNOLOGY

Super Soothe Complex: This combination of soothing ingredients Apple, Oatmilk and Aloe is a match made in heaven for your tender heart and sensitive skin. Apple's antioxidants, phenolic compounds and flavonoids help to preserve the health and vitality of skin. Oatmilk and Aloe with their gentle, soothing properties work to calm your delicate skin for a super soft feel.

Barrier Balm: Sealed with a kiss from Vitamin A and Vitamin E, this balm allows skin to naturally rehydrate while helping to shield and improve the skin's barrier function. These vitamins have been found to help protect against signs of aging by defending against external, environmental aggressors to improve the appearance of the skin for a youthful look that will leave you truly smitten!

Moisturizing Butter Blend: Fall head over heels in love with some of nature's dreamiest ingredients. Creamy shea butter and velvety coconut oil intensely moisturize and condition skin, leaving it ultra-soft and silky smooth. Make Electrolytes from Coconut Water and Sea Salt your main squeeze as they diligently hydrate to combat dryness for nourished skin.
