### LINE STORY

Uncover the secret to building beautiful, bronze color from the inside out. Its classy and elegant blend easily glides on the skin and leaves a refreshing aroma. Developed with dynamic skin care and tanning technologies, the Tektōn® Collection will exceed your expectations.

### COLOR TECHNOLOGY

**BronzeActiv®:** Infused with Black Pepper, this blend aims to naturally promote flawless color development inside and outside of the tanning bed.

**CT 3D™:** Delivers personalized shades of Caramel and DHA that offer multi-dimensional color.

**CuO2® and TRF™:** Innovative technologies that utilize Copper and Oxygen to further advance bronze color to a darker state.

### SKINCARE TECHNOLOGY

**Tektōnic Technology®:** Revitalize the skin while shielding it from environmental pollutants to achieve a youthful and radiant glow.

**Cocoa Extract:** Condition the skin with this vital ingredient that protects against free radicals and promotes a toning effect to skin.

**Hybrid Enhance:** Utilizes hydrating and pH Balancing ingredients designated to boost collagen production and Wellness Light benefits.

**Daily Defend+:** Envelopes skin in a silky layer, reducing the appearance of fine lines and wrinkles while protecting against environmental aggressors.

**Dual Peptide System:** This age-defying blend is inspired by natural processes of skin regeneration. It helps improve the appearance of fine lines and lessen the depth of wrinkles for a more youthful appearance.
