PRODUCT STORY— Faux Natural™ Sunless Collection

For trendsetters who demand show stopping perfection, chic happens in the **DS Faux Natural™ Sunless Collection!** Confidently reach the tan of your dreams as you indulge in UV, Sunless, and Red Light treatments. No one can stand in the way of a Triple Threat and their color ambitions. You'll be basking in golden intentions, while everyone else tries to unravel your bronzing secret. Go ahead, let them stare. Sometimes it's okay to fake it.

COLOR TECHNOLOGY

Powerful Dark Tanning Intensifier: Contains a Tyrosine derivative that helps stimulate UV melanin production for dark color development.

Dark Duration Complex™: Specially blended with Erythrulose to help prep skin to go seamlessly from UV to Sunless tanning to ensure even, streak-free results

SKINCARE TECHNOLOGY

Beauty Light Elixir: Combines powerful peptides that uniquely work to help boost the production of collagen, which plays a vital role in increasing skin elasticity, and helps stimulate melanin production.

Collagen Infusion: Formulated with collagen which is known to help skin retain moisture and stay firm.

Optimum pH Serum: Helps to optimize skin's pH balance for rapid, sunless color development.

Pure Caffeine: Re-energizes the skin to help promote a more sculpted and radiant appearance.

Coffee Seed: Helps bring vitality and life to skin. Coffee Seed extract contains a potent antioxidant that is known for its ability as a free radical scavenger.

Odor Inhibiting Complex: Works with the Passion Fruit Mango fragrance to help combat after sunless odor and leave skin smelling fresh.

AVAILABLE SIZES

13.5oz Bottle | .5oz Packette

ADDITIONAL INFORMATION

Uniquely formulated to be used in a UV tanning bed, with sunless application, and with a Red Light Beauty treatment for optimal color and skincare results.
