PRODUCT STORY

It’s not just a phase, it’s a Fit Life! This Dynamic Dark Intensifier provides powerful results that are free of any maintenance! The Fitness Complex ensures your skin is prepped and ready for each session while the Protein Power softens and smooths for an alluring appearance. Perfect your tanning technique and see results instantly!

“I wanted to create lotion that truly encompassed my lifestyle: fitness, tanning, and good-for-you ingredients. I love having a lotion that helps me live my Fit Life! Xoxo” *JWOWW – Jenni Farley*

COLOR TECHNOLOGY

Dynamic Dark Intensifier: Known to help boost melanin production for streak-free color, while also improving moisture retention to enhance skin’s natural beauty.

SKINCARE TECHNOLOGY

Fitness Complex: Caffeine helps provide a boost of toning for a more youthful and energized appearance. Stevia is known to tone and calm, while enhancing skin rejuvenation. Green Tea contains high amounts of antioxidants to help prevent free radical damage, while moisturizing for smoother skin.

Protein Power: Protein Powder provides skin with essential nutrients including Protein, Calcium and Vitamins to help skin look soft, supple and glowing.

Ink-Drink™ Complex: Shea Butter, rich in Vitamin A and E, helps neutralize free radicals while also softening and moisturizing skin. Raspberry protects the brilliance of tattoos by reducing tattoo color damage. Beeswax provides soothing and smoothing benefits.

Moisturizing Blend: A combination of a powerful humectant and hydrating emollients help draw and seal in moisture to skin for a smooth and silky after feel, while Silicone provides a luxurious experience.
