### PRODUCT STORY

Experience *The Sexy Side of Sunless®* with the *Color Rich Collection*. Develop flawless color with high-end ingredients for a gorgeous tan and flawless skin!

- **Organic Aloe** to hydrate and soothe skin
- The **Organic Botanical Blend** contains a combination of organic blueberry, spinach, and cranberry to help combat free radicals and help skin look and feel healthy
- Infused with **Protein** and **Carbohydrate** to prime your skin for a darker sunless DHA tan
- Energize skin and help tone with **Caffeine**
- Eliminate unpleasant odors with **Coastal Sands Fragrance**

### SKINCARE TECHNOLOGY

**Organic Aloe:** Hydrates and soothes skin

**Organic Botanical Blend:** Contains a combination of organic blueberry, spinach, and cranberry to help combat free radicals to help skin look and feel healthy

**Protein and Carbohydrate:** The perfect balance of Protein and Carbohydrates to promote optimal sunless color development. Proteins react with the DHA to result in darker sunless color while Carbohydrates strengthen the Proteins abilities by energizing the skin

**Caffeine:** Energizes and tones skin to help make you feel younger

**Glycerin:** Gives an extra boost of hydration and locks in water to the outer layer of the skin
