PRODUCT STORY

Live the life of luxury you've always wanted! 24 Karat White Gold will take you there. Brighten your complexion and never lose your shine with the help of Glow Up, a combination of Turmeric, Hyaluronic Acid, and Squalane. Obtain everlasting beauty with Eucalyptus Water for a younger looking appearance that is sure to impress. Extravagant Ultra-Refined Gold reflects and diffuses light to help blur skin imperfections. Experience high class excellence with 24 Karat White Gold!

COLOR TECHNOLOGY

24X White Bronzing Breakthrough: DHA, Erythrulose, Black Walnut Extract and Annatto Extract combine with several other ingredients to help boost color development and promote melanin synthesis.

SKINCARE TECHNOLOGY

La Fleur White Gold: Discover an ancient beauty secret that begins with picking Tiare Flowers and soaking them in Coconut Oil. This technique produces an oil that gives excellent hydrating abilities which help to improve skin condition. It also acts as a tanning accelerator for a deeper tan.

Ultra-Refined Gold: Reflects and diffuses light to help blur skin imperfections.

Golden Hour: Eucalyptus grows above ground rich in Gold and can even have Gold in their leaves. Eucalyptus Water is known to help boost the level of Ceramides in the skin which help to improve the skin barrier for a more youthful-looking appearance.

Gold of Pleasure Oil: Contains high levels of Omega-3 Fatty Acids and Vitamin E that help to enrich skin for a smooth and radiant look.

Glow Up: Combination of Turmeric, Hyaluronic Acid, and Squalane to help brighten complexion, increase moisture and skin elasticity, while decreasing the appearance of fine lines and wrinkles.

AVAILABLE SIZES

13.5oz Bottle | .5oz Packette
