### PRODUCT STORY—Hot! Collection

Get even and natural color with just one session! This decadent formula utilizes our unique Aloe-Base that deeply conditions and moisturizes for touchable, soft skin and prolonged color. DermaDark® provides a streak-free bronze gratification while Sincere Skincare Blend imparts necessary nutrients to ensure a strong tanning canvas. Upgraded Biosine Complex® softens and soothes for silky, smooth radiant skin, while FadeDefy™ Technology ensures your amazing results last days longer.

### COLOR TECHNOLOGY

**Mesmerizing Natural Bronzer:** Exceptional blend of Natural Bronzers, including DermaDark®, a powerful natural color enhancer that helps build color without the need of UV exposure. This combined with Coconut Oil provide intense immediate results for gorgeous dark color.

### SKINCARE TECHNOLOGY

**Aloe Base:** Our industry exclusive ActiveAloe® contains over 200 Amino Acids, Vitamins, Antioxidants, Minerals, and Enzymes. This highly concentrated Aloe Vera helps to soothe, soften, and moisturize your skin.

**Sincere Skincare Blend:** A straight-forward mixture of natural ingredients, including Arugula, Velvet Bean, Mangosteen and Quercetin, that help to stimulate melanogenesis. This natural blend of ingredients also works to enhance the activity and synthesis of Tyrosinase, provide a great source of L-Dopa, a precursor in the tanning path to maximize melanin production while providing powerful antioxidants for a strong tanning canvas.

**Upgraded Biosine Complex®:** Advanced combination of Tea Tree Oil, Olive Oil, Vitamin B5, Kukui Nut Oil, and Squalane to help maximize melanin production.

**FadeDefy™ Technology:** Blend of ActiveAloe® and hydrating Shea Butter displays a humectant effect that helps to prevent moisture loss from the skin. This pair also alleviates dry skin for longer-lasting color.

**Tea Tree Oil:** A pure essential oil, known to have natural odor fighting properties, which help prevent after tan odor from developing.
