PRODUCT STORY— Designer Skin® Bath | Body | Face

Nicks, cuts, unsightly razor bumps... No thank you! Prepare to say goodbye to those undesirable side effects of shaving, and hello to smooth skin with a longer lasting glow. The tan extending lotion of No Apologies® has remained the same, but with an all-new look for this fan favorite! Formulated for sensitive skin, you'll fall in love all over again as the lotion helps to rid skin of stubble, while nourishing and protecting color. No Oops! No Ouch! No Apologies!

SKINCARE TECHNOLOGY

Coffee Bean Extract: Packed with Caffeine, this natural compound helps energize skin for improved tone and feel.

Juice Evolution® Technology: Contains the antioxidant rich Superfruits, Passion Fruit and Sea Buckthorn Berries, with Sugar Cane to help condition and soothe skin while shaving.

Matte Finish: Powdery soft natural polymer helps to mattify skin, leaving a soft, dry after-feel.

Shave Minimizer: White Willow Bark works to moisturize and provide a closer shave, helping to decrease the need to shave as often.

Odor Inhibiting Complex: Deodorizing agents work with Papaya Passion fragrance to keep skin smelling fresh and clean.
