### PRODUCT STORY—Premium Collection

Stand in the gentle glow of sunlight and say goodbye to dull skin vibes! This 18th Dimension Invigorating Natural Bronzer delivers instant results, while **DermaDark® Bronzer** continues to build luxurious color! Sunshine Glow Blend delivers superior skincare that help nourish and protect for a brighter, glowing complexion. Skin Immunity Boost provides powerful antioxidants that renew for healthy skin, while Caffeine invigorates and energizes for a toned appearance. Deluxe Bio-Active Bronzing Minerals strengthen and soften for touchable, sleek skin. Enjoy a summer holiday for your skin and soul any day with **Sol Energy™!**

### COLOR TECHNOLOGY

**18th Dimension Invigorating Natural Bronzer:** Specially designed bronzing complex with Annatto, Caramel, Black Walnut, Melanin, Henna and Tyrosine that work to give uniform instant color and a boost of color development that continues to develop over time.

**DermaDark® Bronzer:** Powerful natural color enhancer that helps build color gradually without the need of UV exposure.

### SKINCARE TECHNOLOGY

**Sunshine Glow Blend:** Superior blend of Citrine (known as the Sunshine Stone), Amber, Turmeric and Orange Extracts that help to increase the activity of the body's own antioxidant enzymes to help improve skin health and barrier function, while providing protection to ensure a bright, glowing complexion.

**Skin Immunity Boost:** Decadent infusion of Vitamin C that contains high antioxidant properties and can help stimulate collagen productions, Vitamin D that helps protect skin by improving barrier function. Echinacea helps to improve skin hydration and general skin health, while a dose of Caffeine with Coconut Oil reinvigorates and nourishes skin for a more toned, youthful, healthy complexion.

**Bio-Active Bronzing Minerals:** Naturally obtained from Sea Salt, this mineral cocktail of 92 essential minerals help rejuvenate and smooth skin; Copper, Zinc and Calcium are known as melanin enhancing trace elements that have been show to help enhance the delivery of minerals, increase the amount of melanin formed and add additional support for color activity.

**Flawless Finish:** Natural polymer of corn starch, acts as a spreading and lubricating agent for the skin, giving it a soft, even matte finish.

**Soft Scent After Tan Inhibitor:** Proprietary odor inhibiting ingredient is clinically proven to stabilize pH of the skin and inhibit irritation and unpleasant odors while providing moisturization, skin softening and refining skin pores.

### AVAILABLE SIZES

10oz Tube | .5oz Packette

### ADDITIONAL INFORMATION

Citrine is a form of amethyst stone that has been warmed with heat to reveal a golden, yellow hue to the stone and is often referred to as the Sunshine Stone for its warm and uplifting vibes.
