

DESIGNER SKIN®

Designer Skin Glamour Eyes®

For use with Indoor Sun Tanning Lamps
Protects Eyes from Damage against Ultraviolet Rays

Sales Fact Sheet

➤ Designer Skin Glamour Eyes®

Story: Eyewear is designed to protect your eyes from damage from ultraviolet rays emitted by sun tanning lamps.

Rationale

- Update to the popular eyewear traveling cases for new, squeeze-open options!
- Same great eyewear designed with space to fit long, voluminous lashes

Product Type

- Eyewear
- Adjustable Elastic Band Included
- NEW Assorted Travel Case Colors: Black, Blue and Pink

Technology

- Flexible nose piece provides a better fit to face
- Tall enough for long lashes without touching the top of lenses
- Translucent design allows you to see through lenses while in use
- Clear nose piece prevents tan lines
- Comes with stylish carrying case to help protect eyewear when on-the-go

Brand Family: Designer Skin® Bath | Body | Face Collection

Size and MSRP

- Eyewear with Travel Bag \$6.99
