PRODUCT STORY— *Designer Skin® Bath and Body Collection*

Silky-soft, sensuous skin. Velvety to the touch. Angel Body Wash is indeed heaven-sent. Unlike other body washes, this guardian of your skin also protects, tones and supports your most precious asset... your skin. Potent anti-aging ingredients visibly improve skin's firmness and texture. Hemp Seed Oil provides the ultimate moisturization. For divine results, follow with your Angel Tan Extender to nourish your body and soul.

SKINCARE TECHNOLOGY

Heaven-sent Cleansing System: Gently wash away dirt and excess oil without stripping your gorgeous tan.

Vitamins A, E and D: Packed with antioxidants, this blend works together to help protect your skin.

Hemp Seed Oil: Combines with Avocado Oil and gives skin a boost of moisturization.

Alpha Lipoic Acid and Black Cohosh: Known to provide anti-aging benefits for ever-lasting, beautiful skin.

White Birch Extract: With the help of Copper, these ingredients together can improve skin texture.
