PRODUCT STORY

The best accessory is a tan! Let Trend Setting Bronzing Blend, a combination of instant bronzers and DHA, give you the dramatic color you dream about. Perfect Blur provides a blurring effect on the skin while Dream Toning uses Caffeine for energized skin and a perfect appearance. From fashion icon to loving sweetheart, you can play any part with healthy and protected skin from Life-Like Complex. Ideal Finish features Silicone that will leave your skin as soft and smooth as you imagined. Turn your fantasy into reality and live your Dream Life, doll!

COLOR TECHNOLOGY

Trend Setting Bronzing Blend: Contains instant bronzers and high DHA for quick, gradual color specifically made to leave your legs dramatically darker than ever before.

SKINCARE TECHNOLOGY

Perfect Blur: Provides a smooth, blurring effect to help diminish the appearance of fine lines and wrinkles to be picture perfect.

Shave Minimizers: Known to help slow down and moderate hair regrowth, leading to a longer lifespan of your iconic color.

Dream Toning: Uses Caffeine to energize skin for a more toned look.

Life-Like Complex: Supplies antioxidant activity to help keep skin healthy and more lively.

Ideal Finish: Designed with legs in mind to achieve a satisfying feel leaving, your skin softer than you can dream.
