PRODUCT STORY

Experience The Sexy Side of Sunless® with the Color Rich Collection. Develop flawless color with high-end ingredients for a gorgeous tan and flawless skin!

COLOR TECHNOLOGY

Color Perfecting Complex®: An antioxidant rich blend containing seven natural colorants that enhance and darken skin's organic color and conceal imperfections.

DHA + Erythrulose: A flawless combination of Eco-Cert approved DHA and Erythrulose that provides skin with a gorgeous, bronze hue.

Caffeine: Provides skin with improved tone, performance and feel.

SKINCARE TECHNOLOGY

Organic Aloe: Hydrates and soothes skin.

Organic Botanical Blend: Contains a combination of organic Blueberry, Spinach, and Cranberry to help combat free radicals to help skin look and feel healthy.

Water Color Technology: Infuses skin in hydration with a blend of White Lotus Essential Water, Coconut Water and Eucalyptus Water.

AVAILABLE SIZES

6oz Spray

Additional Information

For best results, exfoliate skin prior to sunless session. Shake well before use. Spray directly onto skin and follow up with CT Sunless Mitt rubbing product in circular motions, using the instant color as a guide to ensure even coverage. Wait at least four hours before bathing to allow color to develop. To build a deeper tan, apply once daily until desired darkness is achieved.
