PRODUCT STORY—*Outback Collection*

Get wild with your tan! DHA and Natural Bronzers combine for bold color that will leave everyone obsessed. Avoid dry, scaly skin with Desert Sun Skincare Blend, leaving it soft and smooth. Tiger Grass and Cocoa Butter work together to keep your gorgeous ink bright with ColorGuard™ Tattoo Protection. Top it off with Purrfection Finish Primer and ATO Defense for an even skin tone and a fresh scent you'll go crazy for.

COLOR TECHNOLOGY

Bold Bronzing Blend: This rich blend includes DHA, Caramel and Annatto Extract for instant and delayed color results while Coconut Oil keeps skin moisturized for a faster tan.

SKINCARE TECHNOLOGY

Desert Sun Skincare Blend: Desert Honey Myrtle is a native Australian plant known to uplift the mind and body with its natural citrus aroma. Combined with Glycerin, these ingredients soothe skin keeping it hydrated and healthy.

ColorGuard™ Tattoo Protection: Luxurious blend of Tiger Grass and Cocoa Butter works to hydrate and protect for vivacious ink. Tiger Grass is also known to help support the skin's own Collagen production.

Purrfection Finish Primer: Uses a natural polymer that acts as a brightening agent and fills in imperfections for a more healthy, even and radiant skin tone.

ATO Defense: Tea Tree Oil is a pure essential oil and known to have natural odor fighting properties that prevent after-tan odor from developing.
