PRODUCT STORY – Perfect 10™ Collection

Want a Perfect 10™ tan? Use this perfectly blended skin smoothie! Go bananas for the Super Charged Intensifying Technology that helps stimulate melanin and deeply hydrates skin. Essential ingredients, like prebiotics and probiotics, work together for a nourished skin barrier while Organic Antioxidant Extracts protect from environmental stressors for happy, healthy skin! ATO Inhibitors have odor fighting properties to keep you smelling fresh. You're a Perfect 10™, your tan should be too!

COLOR TECHNOLOGY

Super Charged Intensifying Technology: Tyrosine, Banana and Coconut Oil are blended to perfection for gorgeous color! Tyrosine and Banana have melanin stimulating properties to develop a deep tan, while Coconut Oil provides moisturization for a smooth base.

SKINCARE TECHNOLOGY

Synergy Blend: Prebiotics and probiotics work synergistically to maintain a balanced microbiome for better skin health and a protected skin barrier for a glowing complexion.

Organic Antioxidant Extracts: Rich in antioxidants, the extracts in this organic blend help protect skin from external aggressors for a dewy, invigorated look.

Ginger: Renowned for its age-defying properties, Ginger's antioxidants promote optimal skin health, leaving your skin looking and feeling revitalized and youthful.
