PRODUCT STORY – Vital™ Collection

Soothe your senses with Vital White DHA Bronzer. Calming Color Complex evokes stunning prolonged tanning results with DHA and Annatto. Skin Soothe relaxes and increases oxygen to the skin by wrapping it in a soothing sensation for deeper color. Turmeric and Licorice Root provide a comforting blend that aids in protecting skin for a more even complexion. Let the Natural Moisture Blend rekindle your appearance by supporting the skin's barrier, keeping it soft and smooth. Your skin matters, give it what it needs with the Vital Collection!

COLOR TECHNOLOGY

Calming Color Complex: Experience a luxurious fusion designed to enhance and enrich your skin with an alluring, radiant glow. Our expertly crafted formula features DHA for a gradual, deep tan that lasts, complemented by antioxidant rich Annatto. Achieve the tan you've been seeking with a complex designed specially for deeper, darker and delayed color.

SKINCARE TECHNOLOGY

Skin Soothe: This blend is renowned for its ability to nurture and defend the skin with its essential vitamins, minerals, and powerful antioxidants. The calming ingredients calm and wrap the skin in a soothing sensation for a deeper tan.

Turmeric: The earthly harmony of Turmeric and Licorice Root make for a comforting blend that not only protects the skin but enhances your glow with potent antioxidants and inflammatory fighters for a smoother and more even tan.

Natural Moisture Blend: Unveil the energetic effects of this natural blend of Coconut Oil and other moisturizing ingredients that help support the skin's barrier rendering it soft and smooth to the touch.
