PRODUCT STORY— *Miracle Collection*

Crave the most out of life and get more! Stand out above the rest with the 10X Flourishing Bronzing Blend providing the dynamic mix of Caramel for instant gratification with DHA and Melanin for deeper delayed color. Embellish your skin with the Shea Butter Complex and Totally Toning aiding for a more hydrated, youthful appearance. Mellow Silicone provides a plush feel and helps the lotion glide on with ease. Powerful botanical extracts help protect the life and vibrancy of tattoos. Be the center of attention with Designer Skin Eccentric™!

COLOR TECHNOLOGY

10X Flourishing Bronzing Blend: A vibrant team of Melanin, DHA and Caramel that helps enhance and deepen your natural skin tone delivering instant and delayed color for deep long-lasting color.

SKINCARE TECHNOLOGY

Shea Butter Complex: Channel your inner maximalist with this maximum super soothing skin technology that draws moisture into the skin, helping deliver powerful long-lasting hydration with Shea Butter and Glycerin.

Totally Toning: This rad duo features Cocoa Extract and Orange Peel Oil for a burst of Vitamin C, Antioxidants and Caffeine to help with a more toned appearance.

Mellow Silicone: This stellar silicone masterpiece provides skin with a luxurious feel and provides even coverage. Experience a spreadability so fly it'll glide across the skin.

Outta Sight Tattoo Protection: Preserve your ink, don't let it go outta mind. This tattoo protection combines carefully selected botanical extracts to create an antioxidant rich and light protective properties to preserve tattoos vibrancy.
