PRODUCT STORY

Let the stars align with Stellar Glow™ Intensifier, a celestial blend designed to elevate your tanning experience. The Cosmic Intensifier helps boost melanin production for an astronomical color and radiant glow. The Virtuous Vitamin Fusion keeps skin soft and luminous. Reveal your inner brilliance with the Star Power Skin Conditioning Complex—an ethereal mix of botanicals that replenishes and revitalizes. Energy Boost works to tone and invigorate for a luminous, gold star finish. Let your glow reach stellar status.

COLOR TECHNOLOGY

- **Cosmic Intensifier:** Tyrosine and Glycerin combine to enhance color by stimulating melanocyte activity for even melanin production that promotes skin's moisture balance.
- **Erythrulose:** A natural ketose obtained by bio fermentation that leads to uniform tanning of the skin and provides longer-lasting color

TECHNOLOGY

SKINCARE TECHNOLOGY

- **Virtuous Vitamin Fusion:** Unleash soft and supple skin with the help of the ultimate combo of Vitamins E, B5 and C.
- **Star Power Skin Conditioning Complex:** Hemp Seed Oil, Silicone, Glycerin, Aloe and Shea Butter deliver intense hydration and help improve overall skin health.
- **Energy Boost:** Caffeine and Coconut Oil help tone and energize skin, leaving it with a luminous, revitalized look.

HOW TO USE

This product is intended for UV tanning sessions. Generously apply the product to the skin in a circular motion before tanning to provide a supreme tanning base or after to build color for a perfected look. For best results, pair with a primer and tan extender to ensure your skin maintains its golden glow. Avoid contact with eyes and delicate facial skin.

QUICK FACT

Hemp seed oil is a multi-beneficial ingredient that hydrates skin with a highly evolved balance of essential fatty acids, amino acids and vital nutrients.
