PRODUCT STORY

The canopy in the rainforest shields and protects the understory from external aggressors while retaining moisture. We took the same benefits from that environment and applied to it California Tan's newest line, Canopy Lane™. New technologies take over to reset your skin and deliver rich color development.

TECHNOLOGY

COLOR TECHNOLOGY

Bronzing Breakthrough System: combines natural ingredients, Caramel and Black Walnut Shell Extract, to give an immediate warm, golden-brown glow to the skin.

SKINCARE TECHNOLOGY

- **CuO₂® and TRF™:** Each is an advanced tanning technology with copper and oxygen promoting ingredients to energize skin for deeper, darker tanning results that give amplified color.
- **Plant Stem Cell Technology:** Helps skin fight against environmental pollutants.
- **Blue Light Protection:** A blend known to counteract the harmful effects of blue light over-exposure.
- **Rainforest Hydration:** Includes a bioactive complex derived from rainforest fruits. This unique combination nourishes for healthy skin and helps fight the aging process.

FRAGRANCE

Marine Fresh – Ozone Fresh, Blue Grotto, Marine-Melon, Rosemary & Amber.

HOW TO USE

This product is intended for UV tanners. Generously apply the product to the skin in a circular motion before tanning. For best results, pair with a primer and tan extender to ensure your skin maintains its golden glow. Avoid contact with eyes and delicate facial skin.

QUICK FACT

Sunflower Oil also known as Phytosterols helps maintain a healthy balance and activity of lipids in the superficial layer of the skin for a smooth, nourished feel.
