PRODUCT STORY

With Gravitate™, attraction isn't just magnetic – it's radiant. The Orbital Intensifier's melanin boosting formula works with UV light to build a deep, compelling base for your tan that will become a force to be reckoned with. Rich in phenolic compounds, White Birch Bark Extract is known for its skin-soothing properties, promoting ultra-rejuvenation. The Radiance Field botanical blend helps shield your base while drawing everyone into your irresistibly soft, supple skin. Get pulled into a new skincare dimension with the fast-absorbing, long-lasting Moisture Magnet. Feel the allure and Gravitate™ towards a captivating glow.

TECHNOLOGY

COLOR TECHNOLOGY

Orbital Intensifier: Tyrosine stimulates natural melanin production for a deeper color while Glycerin draws in hydration aiding in an even, streak-free tan.

SKINCARE TECHNOLOGY

- **White Birch Bark Extract:** Known to be rich in phenolic compounds that provide refreshing and soothing properties to the skin.
- **Radiance Field:** Botanical ingredients Blueberry, Cranberry and Spinach Extract help shield the skin from free radicals while delivering a healthy and supple glow.
- **Moisture Magnet:** Lightweight, fast absorbing blend formulated with Silicone, Coconut Oil and Safflower Oil for long-lasting hydration and velvety-soft skin.

FRAGRANCE

Floral Illusion – Tea, Bergamot, Cedarwood, Patchouli & Musk.

HOW TO USE

This product is intended for UV tanners. Generously apply intensifier to the skin in a circular motion before your session to provide a supreme tanning base or after to build color for an exquisite look. For best results, pair with your favorite bronzer to ensure your skin maintains its golden glow. Avoid contact with eyes and delicate facial skin.

QUICK FACT

Blueberry Extract is packed with powerful Vitamins C and K, giving your skin that fabulous, airbrushed look. Feel like a superstar with a radiant shine that turns heads wherever you go!
