Surrender to the sensual appeal of the Dark Obsession Booster, known to stimulate melanin production for a more irresistible color. The Everlasting Elixir helps smooth and restore the surface of your skin, enhancing its natural beauty. Protect and maintain vibrant tattoos with the Tempting Tattoo Guard. Set your tan off with the Ultimate Moisture Magnet to keep your skin nourished, soft and supple. Take a risk and give in to your Dark Desire™.

TECHNOLOGY

COLOR TECHNOLOGY

- **40X Hypoallergenic DHA Bronzer:** Features DHA and Caramel to deliver the immediate dark color you crave and long-lasting results.
- **Dark Obsession Booster:** Utilizes Tyrosine that stimulates melanin production when exposed to UV light to help boost color development.

SKINCARE TECHNOLOGY

- **Everlasting Elixir:** Hyaluronic Acid and Algae helps target multiple layers of the skin to smooth and restore the surface for a refreshing glow.
- **Tempting Tattoo Guard:** A natural tattoo protectant powered by antioxidants from Licorice Extract and Green Tea Extract — nature's source of caffeine — to help defend against fading while enhancing overall skin clarity.
- **Ultimate Moisture Magnet:** Glycerin and a high-performance humectant help retain moisture to keep skin hydrated and supple.

HOW TO USE

This product is intended for UV tanners. Before your session, generously apply the bronzer to the skin with your hands or a mitt in a circular motion. Wash hands after application. Wait at least 2-3 hours before showering to allow for full color development. For optimal results, pair with a tan extending moisturizer to help maintain healthy, moisturized and beautiful skin. Avoid contact with eyes and delicate facial skin.

QUICK FACT

Layering is everything! Whether it's enhancing your glow with your favorite tan extender and lotion duo, or the stylish new necklace accoutrement to give your bottle a top-tier look! It's all about adding those perfect finishing touches!
