DHA Bronzer

Tyrosine

ATO Inhibitor

Dermatologically Tested

FRAGRANCE

Spiked Apple Punch – Juicy Apple, Melon, Freesia & Brown Sugar.

HOW TO USE

This product is intended for UV tanners. Before using the tanning bed, generously apply the bronzer to the skin with your hand in a circular motion.

Wash hands after application. Wait at least 2-3 hours before showering to allow for full color development. For optimal results, pair with a tan extending moisturizer to help maintain healthy, moisturized and beautiful skin. Avoid contact with eyes and delicate facial skin.

*Refer to back of bottle for most current list of ingredients

QUICK FACT

Expertly designed for advanced tanners, Wild Card™ helps break through color plateaus by intensifying and maximizing sunbed results.

Pair with Designer Skin's bestselling FNS CC Primer to support balanced development while Pure Solar Peptides enhance sunbed performance.

LOTION TECHNOLOGIES

COLOR TECHNOLOGY

58X Plateau Breaking Bronzer

- **Plateau Breaking** is an advanced bronzing technology designed to reignite color development for richer, longer-lasting color
- **Caramel, DHA and Annatto Extract** are a triple threat of instant and delayed bronzers that take your tan to new depths
- **Turquoise Powder** adds a cool, mineral-rich hue to balance warmth for a bold, non-brassy glow
- **Violet and Red Hues** ensure even, color-corrected radiance

Wild Frontier Bronzing Base

- **Tyrosine** accelerates natural melanin production to jumpstart your tan and extend your color
- **Hydrolyzed Algin** hydrates and fortifies skin for smooth, even color

SKINCARE TECHNOLOGY

Most Wanted Skin Trio

- **Argireline® Peptide** helps soften fine lines for smoother, firmer-looking skin
- **Bakuchiol** promotes smoother, brighter, more even skin tone
- **Cactus Water** delivers lasting hydration for soft, supple skin

Satin Saddle Silicone

- **Multi-Silicone Blend** designed to leave skin silky smooth with a soft-focus finish

Rhinestone Cowgirl

- **Infused with real gemstones-** Diamond, Mother of Pearl and Opal- captures light from every angle to unveil a multidimensional, sun-kissed glow

ATO Inhibitor

- **Coconut Oil** helps keep skin hydrated and balanced after tanning, which minimizes dryness-related odor and helps skin stay fresh longer.
- **Witch Hazel** helps refine pores and refresh skin after tanning, which reduces lingering odors and keeps skin feeling clean.
